

Make a Difference....VOLUNTEER

Cheektowaga Little Loop is run by a small group of dedicated volunteers. What people do not realize is that volunteering is more than just coaching. The CLLAA Board members work year round to ensure that your children are getting the best program that we can offer. Because we are a small Board of Directors, many ideas have to be overlooked while we handle necessities. This is where you, as a parent, can make a difference.

Volunteering comes in many forms and you do not need to become a board member to participate. Although we are always encouraging parents to attend Board meetings for a better understanding of CLL, your time can also be donated within the following areas:
